

(Qualification No: 610/0784/5) - EQF/MQF Level 4 Qualification

OTHM L4 (MQF L5) Diploma in Health and Social Care Management

Overview

The objective of this qualification is to equip learners with the underpinning knowledge, understanding and skills required for a career or further study in the health and social care sector at a managerial level. The programme enables learners to demonstrate their skills by producing evidence from their work or training activities. Successful completion of this qualification will equip learners with industry-specific and practical skills, enabling them to successfully apply their knowledge in the workplace, enhance their career prospects and allow progression to further study.

Recognitions

OTHM Level 4 Diploma in Health and Social Care Management (EQF/MQF Level 5) is an Approved Foreign Higher Education Qualification and accredited by OTHM (UK) regulated by Ofqual (Office of Qualifications and Examinations Regulation), which is recognised for advanced entry into corresponding degree year/top up and Bachelor's/top-up programmes.
